### **LO-Sweden mourns the passing of Neil Kearney**

The international trade union world has lost a true leader and advocate for trade unions rights, social justice and a better world. Neil Kearney's steadfast commitment to democracy and human rights, his impressive knowledge and his ability to make organisations and decision-makers listen and understand the need for change and improvement makes him one of the trade union leaders that really made a difference.

Neil Kearney dedicated his whole working life to Decent Work for the most vulnerable men and women in the world. His humble person, his social skills and his passion makes him one of a kind. He will be greatly missed and we all have suffered a huge loss. LO-Sweden offers our deepest sympathy to his family and friends.

Sincerely,  
Swedish Trade Union Confederation

  
Wanja Lundby-Wedin  
President
